Delta Corps Diagnostics LLC

DBA: Bravery Holdings

SDVOSB

MBE

Bravery Aviation is an aviation logistics and program-support firm organized under **Delta Corps Diagnostics LLC (DBA Bravery Holdings)**, focused on U.S. Government and prime-contractor engagements. We provide structured coordination across aviation program lifecycles — from mission planning and stakeholder management to logistics documentation and operational support — complemented by clinical advisory expertise relevant to customer programs.

CORE SERVICES & COMPETENCIES

— AVIATION PROGRAM & MISSION SUPPORT

- › Customer requirements analysis and mission-planning coordination
- › Program schedules, action-item tracking, and milestone reporting
- › Stakeholder coordination and customer-facing documentation
- › Mobilization planning and ground-support logistics

— AVIATION LOGISTICS COORDINATION

- › Passenger and cargo movement planning and scheduling
- › Freight transportation arrangement and carrier coordination
- › Airport and ground-service provider liaison
- › Routing documentation and delivery-tracking support

— AIRPORT & OPERATIONAL SUPPORT

- › Airport project and contractor coordination
- › Resource planning and logistics documentation
- › Procurement and acquisition support for aviation programs
- › Deliverable tracking and administrative program support

— AVIATION CONSULTING

- › Aviation requirements assessment and gap analysis
- › Coordination with qualified operators and aviation service providers
- › Aircraft sourcing and lease-option research support

— MEDICAL ADVISORY SUPPORT

- › Clinical advisory support relevant to customer programs
- › Medical readiness planning and operational health documentation
- › Documented medical leadership expertise available to program teams

WHY BRAVERY AVIATION

♦ Government Program Expertise

— Acquisition coordination, reporting, and documentation aligned to federal program requirements

♦ Medical Leadership —

Documented clinical advisory capability complementing aviation and logistics programs

♦ Disciplined Documentation —

Structured deliverables, customer reporting, and action tracking throughout engagement lifecycles

♦ Subcontractor Flexibility —

Configured to support defined prime-contractor work packages across aviation support tasks

♦ Tampa Bay Presence — Local to MacDill AFB corridor; positioned for regional and SOUTHCOM-area task orders

PAST PERFORMANCE

Bravery Aviation is an emerging small business. Relevant team experience spans government program management, clinical operations, and aviation support coordination. References available upon request.

KEY STRENGTHS

- ♦ Acquisition-ready: SAM.gov registered with active UEI & CAGE
- ♦ SDVOSB and MBE set-aside eligible
- ♦ MacDill AFB corridor / Tampa Bay area presence
- ♦ Dual domain: aviation logistics + medical advisory
- ♦ CMMC Level 1 practices implemented

TEAMING & CONTRACT ACCESS

Bravery Aviation actively seeks teaming arrangements with established prime contractors. We are structured to serve as a small-business subcontractor on aviation program support, logistics coordination, and administrative task orders. Teaming inquiries welcome.
